

VISITORS' DAY – Yom Orchim 2017!

Sunday, July 23

10:00 a.m. to 3:00 p.m.

Hachnasat Orchim, the mitzvah of welcoming guests, is an essential part of our Jewish tradition. Perhaps most famously, Abraham offered his hospitality to three strangers. In opening up his tent and serving them something to eat, Abraham provides an instructive model for how we are to open our hearts and our homes to guests.

Yom Orchim is a day in which we open up camp and welcome you, our Orchim (guests), in some interesting and creative ways. Just as campers and staff creatively plan and execute special days in camp like Yom Sport and Yom Yisrael, we will also be working together to plan and execute a memorable Yom Orchim, a day of welcoming our guests. Highlights will include:

- A Special Opening Ceremony!
- Early Registration Specials for Kayitz 2018!
- Family Free Swim!
- A FREE Lavish Lunch!
- And much, much more!

Parents should make every effort to attend, in that this is the only Visitor's during the camp season. If you are unable to be in camp on Visiting Day, please inform your child's yoetzet (advisor).

Please note the following:

- **Do not plan to arrive at camp before 10:00 a.m. As in past summers, visitors will not be permitted onto camp grounds until that time.**
- **All Orchim are asked to depart by 3:00 pm in order to allow our camp community to come together for a camper-staff softball game.**
- **Campers are not allowed to spend the night out of camp with their families Sunday night. So please don't ask.**
- **While we love animals, unfortunately pets are NOT welcome in camp on Yom Orchim.**
