Important Dates

REMINDER: This summer (2018), Tisha B'av (the "9th of AV") falls on Sunday, July 22. Tisha B'av commemorate the anniversary of a number of disasters in Jewish history, including the destruction of both the First and Second Temple. The observance of the day includes five prohibitions, most notably a 25-hour fast. While an important educational day in camp, it has significant implications for how we've structured our 2018 summer camp calendar below:

1. Visitors' Day will take place on Sunday, July 15, from 10:00 am – 3:00 pm. This will be the 3rd Sunday of camp, not the 4th Sunday (as many may be accustomed to).
2. FIRST session begins on Wednesday, June 27, 2018 and will end on Tuesday, July 24, 2018.
3. SECOND session begins on Wednesday, July 25, 2018 and will end on Thursday, August 16.

While there is no prohibition against traveling or packing on Tisha B'av, we believe that this schedule will allow our FIRST session campers to have proper closure on their Ramah experience.

Sunday, June 17	Hanhallah arrive
Thursday, June 21	First Year & Returning Staff arrive
Tuesday, June 26	Toronto Luggage Drop off for First, 6 Week, Full & Tikvah session campers (Beth David Synagogue between 4:30–7p.m.)
Wednesday, June 27	First Session begins
Sunday, July 15	Visiting Day
Tuesday, July 24	First Session Ends
Wednesday, July 25	Second Session begins / Gr 3-4 Adventure begins
Sunday, August 5	Two Week'ers/Tikvah depart; Taste of Ramah begins
Friday, August 10	Mini-Taste Weekend begins
Sunday, August 12	Mini-Taste Weekend ends
Thursday, August 16	Camp Ends

A Message from the Camp Director

Filled with fun and friendship, a summer at Camp Ramah provides all the formative experiences associated with sleep-away camp:

- fosters independence,
- builds self-esteem and
- develops important individual and team skills.

The unique value proposition of Camp Ramah is that it does all of this within an immersive environment in which

- Judaism is celebrated,
- commitment to community is fostered, and
- leadership is developed.

The experiential education program at Ramah is based on a complete immersion in Jewish living. Along with sports and drama, swimming and art, Shabbat, Hebrew, Tefillah, and Talmud Torah are all integrated into life at camp. Shabbat at Ramah has a special quality to it, as campers and staff are actively involved in creating meaningful Shabbat experiences each week... Hebrew, broken down to common phrases and expressions, becomes less threatening, as campers and staff play ball, clean their cabins, and pass the ketchup in Hebrew... Campers learn to appreciate prayer by participating in daily and Shabbat tefillot... And we encourage the value of Jewish learning by making Yahadut and Tarbut Yisrael a part of our camp day.

People often refer to the “magic” of Camp Ramah. What may appear as “magic” to the onlooker, however, is in fact the result of deliberate, intentional planning and execution. Our dedicated staff work together to develop creative programs that combine the fun aspects of any summer camp with Jewish content in a way that leads campers to associate Judaism with fun. Moreover, they are committed not only to creating an environment based on Jewish values, demonstrating kindness, generosity, and friendliness in their everyday interactions, but they themselves also strive to be accessible Jewish role models for campers. So it’s not uncommon at camp to find the waterski instructor helping campers prepare for Shabbat, or the tennis instructor incorporating Hebrew in her daily lessons, or the arts specialist leading tefillot...

Our camp song ends with the words, “Tov Li B’machane Ramah.” It’s indeed “good to be in Camp Ramah” – both because it’s fun, and because it contributes significantly to our children’s growth as individuals and as Jews.

Dr. Ron Polster
Director

PREPARING FOR CAMP

As you spend the weeks leading up to camp packing and preparing physically, we recommend spending some time preparing emotionally as well. Help your child think about what he/she really wants to achieve or work on at camp. Remind your child to make the most of his/her time at camp by participating in all that camp has to offer. If your child seems a bit anxious at the thought of separating, normalize the worry and remind him/her that many kids feel sad about leaving home for the summer. Help your child to consider strategies that may help if he/she is missing you at camp. If your child has been to camp before, help him/her to focus on the parts he/she loved and is looking forward to experiencing again. If this is his/her first summer, visit www.campramah.com and visually acquaint your child with their home for the summer.

Bunking Requests

As part of the application process, all campers have the opportunity to request their bunkmates. While we take those requests seriously, there are other factors kept in mind when forming cabin groups, including (for returning campers) recommendations from the previous summer and the overall cabin dynamic. We do our best to see that every camper who makes a request gets at least one of their choices. Please go to the Forms and Documents section of your CampInTouch portal to fill out your bunk request form prior to May 15th.

B'nai Mitzvah Training

We are happy to assign staff members to review Bar/Bat Mitzvah preparations once per week with those campers whose Bar/Bat Mitzvah falls during the months of August to December 2018. If you are interested in this opportunity, please go to the Forms & Documents section of your CampInTouch Portal. Please be sure that your child brings all necessary materials to camp. Our staff is happy to review what your child has already learned but cannot be responsible for teaching new material.

Packing Preamble

Helping to preserve and strengthen every camper's sense of self is one of our most important objectives. We want our campers to feel confident, comfortable and respected by their fellow campers. Jewish law requires that we are thoughtful and modest about our clothing choices. With our current fashion trends, hemlines are getting shorter, fabrics more transparent, and tops more revealing. These styles are inappropriately aimed at younger and younger children. We strive to make Ramah a place that is absent of these pressures.

Please keep in mind the following expectations:

- All clothes at camp should not be excessively tight, short or revealing
 - * Girls must wear tankinis or full piece bathing suits; bikinis are not allowed
- Graphics on clothing should be appropriate: T-shirts with profanity, inappropriate words, phrases, or symbols may not be worn.
- Shabbat clothing should be reflective of the sanctity of the day - khakis and button downs for boys; skirts or nice pants for girls
- Shoulders must be covered for tefillot.

Technology

For camps, technology is a quandry. It is an integral part of our lives, yet it can also be pervasive and all-consuming. At camp, where we aim to strengthen interpersonal connection, growth, and independence, technology simply gets in the way. For two months, we want to protect our campers' ability to play and engage unencumbered by a device.

Like other Ramah camps, we believe that unplugging over the summer enhances our connections: to each other and to our surroundings.

What is the Policy for campers?

- Campers are not permitted to bring any devices to camp that are capable of playing games, watching movies, downloading data or being used as a telephone. This includes: Cell/Smart phones, iPods, iPads, laptops, any gaming device, E-books of any kind.
- If these devices are found in camp, they will be confiscated.
- Campers who require a phone for travel to and from camp will be required to turn in their phone before entering camp – the phone will be returned at the end of the session.
- The only acceptable devices at camp are MP3/MP4 players (screen free). Here are some examples of acceptable devices:

Player 1 (AGPTEK G02 8GB Clip MP3 Player with FM/Shuffle, Portable Music Player...)

Player 2 (New Wayzon Mini Clip Metal USB MP3 Music Media Player)

Player 3 (Sandisk 8GB Clip Jam MP3 Player)

...If your child requires an MP3/MP4 player and you are unable to purchase one, please let us know and we are happy to provide one.

- Digital Cameras are permitted.

What NOT to Bring

THE FOLLOWING ITEMS HAVE NO PLACE AT RAMAH. PLEASE DO NOT SEND ANY OF THE FOLLOWING ITEMS TO CAMP WITH YOUR CHILD. **THEY WILL BE CONFISCATED.**

DEVICES WITH SCREENS

Ramah has adopted a SCREEN-FREE POLICY for campers. This means that campers are not permitted to bring any devices to camp that are capable of playing games, watching movies, downloading data, or being used as a telephone. These devices create distractions and are sometimes used inappropriately. Personal music devices (scree free) are permitted, as are digital cameras.

- Portable screen devices
- Cellular Phones
- Portable DVD players
- Portable televisions, game devices
- Laptop computers, electronic games

ADDITIONAL ITEMS

- Hot pots, hot plates, kettles
- Drones, Go Pros
- Candles, lighters, matches
- Knives, pellet guns

FOOD

Campers are not permitted to bring food. We are a kosher, nut free facility. We have children with life-threatening food allergies and we do not want to risk a child having an allergic reaction to a treat brought into the cabin. Moreover:

- * it encourages unwanted visits from bugs and animals
- * it can create conflict amongst campers
- * it can cause discomfort and concern around levels of kashrut.

In addition to three meals a day, we provide campers with at least two snacks daily.

SAFETY IS OUR NUMBER ONE PRIORITY. CONSIDERABLE THOUGHT HAS GONE INTO OUR POLICIES. WE ASK ALL PARENTS AND STAFF TO SUPPORT OUR POLICIES AND HELP KEEP OUR CHILDREN BOTH SAFE AND HEALTHY.

Spending Money

Camp operates a kiosk (Tuck shop) with snacks and beverages. Campers will have the opportunity to choose a few treats twice a week, which is included as part of the camper tuition fee. We therefore ask campers not to bring cash to camp. Any cash or valuables brought to camp must be placed in the camp safe for safekeeping. Our insurance does not cover loss or theft of cash or valuables in cabins.

Packing List

It is important from the standpoint of health and cleanliness that campers have sufficient and appropriate clothing. The following packing list is designed to provide the camper with a **suggested two-week supply** of washable clothing. At camp, a child gives clothes harder wear than in the city. And often in a cabin, items can go missing.

We recommend that you do not send expensive articles of clothing to camp.

Please remember that when it rains at camp, the camp roads can become muddy and filled with puddles. It is therefore critical that your child bring waterproof rainwear. Boots are strongly recommended.

Sun Protection: Due to the dangers involved with exposure to the sun, it is important that your child wear a hat as well as effective sunscreen during outdoor activities. Please make certain that your child has a hat suitable for active play, an ample supply of sunscreen, and a water bottle. (Please note that water guns are prohibited and will be confiscated.)

HEALTH & SAFETY - Health Information Form

Adequate medical records are important to the wellbeing of our entire camp community. **No camper will be received in camp without a current Health Information Form** completed on-line. If you have not yet filled in your camper's Health Information Form at www.campdoc.com, please do so as soon as possible. If you will be sending medication to camp with your child, please make sure to print out the medications page of the Form, sign it, and upload it to the "Med. Confirmation Page" form in your CampInTouch Portal. The Medical and Hospital Authorization form can be found in your CampInTouch Portal.

Immunization Policy

All children attending Camp Ramah must be up-to-date in their routine childhood immunization as determined by the provincial schedule. There is misinformation in the general public about vaccinations. Some parents have opted to defer the vaccination of their children. While individual parents may choose to defer the vaccination of their children, for Camp Ramah this is not an issue of individual rights and choice, but an issue of public health and policy. The routine vaccination of all campers and staff is an important public health matter especially in the confined environment of a sleep away summer camp. Outbreaks of preventable infectious diseases have occurred in these settings.

Safety and public health are priorities for all of the Ramah camps. The vaccination of all members of the Ramah community is essential in order to maintain a safe environment and decrease the risk of transmission of these preventable illnesses. The establishment of a safe camp environment must therefore include the requirement that all members of the Camp Ramah community be adequately immunized according to the routine childhood schedule. Camp Ramah must endorse this public health policy.

Required Immunizations

1. **DTPT** (Diphtheria, Tetanus, Polio, Pertussis (Whooping Cough)) - A series of a minimum of four doses, with the last dose within 10 years of the start of the camp session. If your child(ren) had their last DTPT BEFORE June 2008, this must be updated by June 1, 2018.
2. **MMR** (Mumps, Measles, Rubella) - A series of two doses.
3. **Chicken Pox** - Vaccination or history of illness. **2 doses of this vaccination are required.**

Recommended Immunizations

4. **Meningococcal Vaccine** – 1 dose (given routinely in Grade 7 by local public health units in Ontario) As recommended as per the local public health unit schedule.
5. **Hepatitis B** – 2 doses when given in adolescence (given routinely in Grade 7 by local public health units in Ontario).
6. **Hepatitis A** (not publicly funded but recommended.) Two doses provide long-term protection.

Boosters, Injections, and Inoculations

Most recent tetanus immunization must be specified on the Health Information Form. It is advisable to complete all such inoculations by the end of May.

Infirmary

Our infirmary is well staffed. There is always a doctor and a team of registered nurses on call. Our camp policy is that parents are notified when:

- there is an emergency that requires your child to be taken to the hospital or an outside doctor,
- your child is in the infirmary overnight,
- your child needs to be taken for x-rays or lab tests and a cost may be incurred,
- your child needs to be put on antibiotics, or
- your child has lice

Keep in mind that Ramah has a highly experienced medical staff that is qualified to make appropriate decisions concerning your child's health. If you should have any questions about the medical care your child is receiving, please feel free to call the infirmary. Please notify camp immediately of any medical condition that develops immediately before the summer.

Eyeglasses

Children who wear glasses should bring an extra pair to camp in case of breakage or loss. Please make sure your child's name is marked on their eyeglasses. In the event that glasses need to be repaired or replaced at camp, you will be billed for this service.

Dental Work

It is important that children's dental and orthodontic needs are attended to before camp. There is no dentist in camp, and it is difficult for us and expensive for you to have us take children to a dentist in town. In the event that your child must have dental or orthodontic treatment, you will be billed for this service. Camp medical insurance does not cover dental work.

Lice

Camp Ramah in Canada will check all campers and staff for head lice upon arrival at camp this summer. To avoid an uncomfortable situation, we ask that you **please check your child's head before the start of camp**. If your child is found to have lice or nits in camp, your child will be treated immediately and we will contact you. Head lice are small, wingless insects that feed on human blood. Unfortunately, they are easily spread in environments where people live closely together, like camp. Sharing towels, beds, barrettes, headphones, hats, kippot, T-shirts, and other personal items (i.e. combs and brushes) contribute to their ability to spread. Please discourage your child from sharing such items while in camp.

Medications

The infirmary is stocked with a variety of over-the-counter drugs and specialized equipment. **Please note that provincial law requires that all medications be kept in the infirmary at camp.** There can be NO medications in the cabin.

Medication "Vacation"

We understand that some parents wish to give their child a "vacation" from their regular school-year dose of medication over the summer. Often, this is because camp is assumed to be a less structured, stress-free environment. While camp is definitely a time for relaxed fun, there are many different situations to deal with: new social situations, changes in routine, and different levels of structure depending on the day. For these reasons, we strongly recommend that you discuss the above factors with your physician before considering taking your child off medication. Please note that generally we do not support medication holidays and any plan to discontinue medication taken during the school year must be discussed with the Parent Liaison prior to camp.

Blister Packs - If your camper requires 2 or more pills at a time, medications must come blister packed by a pharmacy.

Safety

Since Camp Ramah's inception over 57 years ago, we have an excellent track record for safety and security. Ramah is a caring and nurturing environment in which all programs, in and out of camp, are planned with safety as the first priority.

To ensure a secure environment as possible for our campers, the professional and lay leadership have designed the following protocols regarding safety and security:

- The main entrance to camp has a security gate.
- All visitors and deliveries will be stopped at the security gate.
- All visitors will be required to check in at the main office and to wear identification.
- **No unexpected visitors will be allowed into camp.**
- Our security guards patrol the camp regularly between the hours of 10:00 pm and 6:30 am.

TRANSPORTATION

Camp has arranged for buses to transport your children and their luggage between camp and designated sites. Parents are strongly encouraged to send children to camp on the bus, rather than driving them up to camp, as this allows for an easier transition to the summer program.

If Traveling By Bus...

Because the bus departure schedule is contingent upon the number of campers coming from each of our communities each session, this information will only be available on our website in early June. The *tentative* schedule for opening day (June 27) can be found at the end of this section.

If Traveling By Plane...

Campers traveling to Toronto by air on arrival days will be met by a Camp Ramah staff member (identifiable by a camp T-shirt or sign). Campers will be bused with their luggage to camp or to our Toronto buses to join the other campers for the ride to camp.

Booking Flights

Flights should be booked to Toronto Pearson International airport. A list of recommended flights from various departure cities can be found at the end of this section.

June 27 arrivals should be by **12:00pm**, preferably between 10:30am – 11:30am. If you will be taking a flight that is not on our Recommended Flight List, please contact Elisha at info@campramah.com *before* booking your flight. It is very important you enter all your flight details in your camper's transportation form no later than May 9, 2018. Any questions can be sent to Elisha at info@campramah.com. We recommend that you begin making travel arrangements in order to ensure the proper flight times and the lowest possible fares.

Wednesday, July 25 arrivals should be no later than 12:00pm. If you will be taking a flight that is not on our Recommended Flight List, please contact Elisha at info@campramah.com *before* booking your flight.

End of Session

Flight departures times should be booked no earlier than 2:00pm and no later than 6:30pm. If you will be taking a flight that is not on our Recommended Flight List, please contact Elisha at info@campramah.com *before* booking your flight.

Unaccompanied Minor

An unaccompanied minor is a camper 16 and under travelling without an adult. Please check with your airline at the time of booking tickets for details.

If Traveling By Car...

For both sessions, if you choose to drive your child to camp, please plan to arrive between 2:00-3:00 pm. We ask that you please park in front of the main office and sign your child in. Your child's counselor will collect him/her from there. We ask that parents not linger in order to help ensure a smooth transition for your child.

Camper Transportation Form – under Forms & Documents of your CampInTouch Portal

Camper Travel Permission Form – under Forms & Documents of your CampInTouch Portal. This form is only mandatory if you are travelling from outside of Canada.

Proof of Citizenship for Non-Canadian Residents

Traveling by Bus/Car

When crossing into Canada by bus/car, every camper must have his/her valid original passport or a copy of his/her birth certificate and a completed Camper Travel Permission form. (If you are over the age of 18, you must travel with a valid passport).

Traveling by Air

When crossing into Canada by air, every camper must have his/her valid passport.

All camper travel documentation such as birth certificate, passport, airline tickets and travel money will be collected and stored in the office safe and returned on day of departure.

Note: Camper passport must be valid until February 2019.

COMMUNICATING WITH CAMP

You have made the decision to send your child to sleep-away camp. The "away" part is significant. Indeed, living at camp, apart from parents, gives children an opportunity to experience a wonderful sense of responsibility and independence. For many of us, throughout the school year, our children are only a text away. We are in near constant contact. Camp is, by its very nature, a departure from that kind of immediate contact. Yet, at the same time, we recognize that ongoing communication is so important - we want you to know all of the amazing things that are happening at camp, and we want our campers to know you are thinking of them.

Yoatzot (Camp Advisors)

Camp is a community consisting of 400 campers. Each rosh edah (division head) has been trained to provide your child with a rich, safe, healthy, and rewarding Jewish summer camp experience. Each rosh edah receives further support, supervision, and advice from his/her yoetzet. Ramah is fortunate to have talented professionals serving in this advisory capacity. For issues concerning your child's adjustment to camp, or for other questions about your child's experience in camp, please contact your child's edah advisor.

Emergencies

If there is a family emergency, please state this when you call and ask to speak to your child's yoetzet. Your call will be handled as quickly as possible. When the switchboard is closed, you can leave a voicemail, or, in the case of a real emergency, you can reach us on our emergency pager at [416-501-4238](tel:416-501-4238). If your call is not an emergency, please refrain from using the emergency pager.

Homesickness

During the summer, parents may receive letters from their child that may leave them feeling unsettled. Homesickness is a normal part of the sleep-away experience; our staff is trained to deal with it. If you are concerned, please contact your child's yoetzet who will investigate the situation with the rosh edah and counselors and will respond to you within 24 hours.

Birthdays

Campers whose birthdays fall during the camp season will be able to celebrate with their cabin at camp. A birthday cake and birthday decorations will be provided. Campers whose birthdays occur during the season will be permitted a call home. Please note that it is camp policy that campers not call home for others' birthdays; only their own.

Communicating by Mail

Letters From Campers

Campers are required to write home twice a week. Please do not be concerned if you have not heard from your child for a few days. Mail is sent from camp daily, but is occasionally delayed. Please write to your child frequently. If you do not hear from your child for longer periods of time, you may want to contact your child's yoetzet. For younger campers, we highly recommend sending pre-addressed, pre-(Canadian) stamped envelopes.

Letters To Campers

Your child will want to hear from you at least as much as you want to hear from your child. It is especially important that younger campers and first-time campers receive mail from home within the first 24 hours of camp. Please write to your child before camp begins, so they can receive a letter the first day. It is a good idea to mail your first letter one week before camp begins. (Some parents will even include a note in their child's duffels.) Letters should be addressed to:

(Name of Camper), Cabin ____
Camp Ramah in Canada
1104 Fish Hatchery Road
Utterson, Ontario
POB 1M0

Communicating by E-Mail

We are very excited to be continuing our on-line Summer Services through your CampInTouch (CIT) Portal. Every parent has their own account where they will be able to email their child and view photos regularly during the summer. You may also set up guest accounts so that other friends and family can also email campers and view photos.

Starting June 1, 2018, you will be able to log in and set up your account for the summer. We encourage you to login before the start of the summer, so you can play around with the summer services that will be available to you and ensure that your account is all ready to go, come the start of camp!

Communicating by Phone

One of the goals at Ramah is to create a positive, immersive Jewish summer camp experience. One of the things that allows us to achieve this goal is the creation of an environment that is free from some of the modern technologies of today and unaffected by the hustle and bustle of modern life.

If you need to discuss something with your child, please contact the yoetzet of your child's edah. The yoetzet will help you communicate with your child in the case of family emergencies or other special circumstances where a message needs to be delivered to your child.

The summer switchboard at camp is open from 9:30 a.m. to 8:00 p.m. EST. The switchboard is closed on Shabbat — from Friday 4:00 p.m. until Sunday morning. When the switchboard is closed, you can leave a voicemail, or, in the case of a real emergency, you can reach us on our emergency pager at [416-501-4238](tel:416-501-4238). If your call is not an emergency, please refrain from using the emergency pager.

Packages

We strongly discourage all unnecessary packages at camp. If a parent must send a package, please adhere to the following guidelines:

- 1. Do not send food or candy. All packages will be opened and campers will not receive any food or candy contents; they will be donated.**
2. If you need to send clothing or other emergency items to your children, please contact your child's yoetzet and arrange to have it sent to her attention.
3. Please be mindful of the feelings of other cabin mates - often packages engender feelings of inequity and disappointment. Please keep packages and their contents to a minimum.

VISITORS' DAY – Yom Orchim 2018!

Sunday, July 15

10:00 a.m. to 3:00 p.m.

Hachnasat Orchim, the mitzvah of welcoming guests, is an essential part of our Jewish tradition. Perhaps most famously, Abraham offered his hospitality to three strangers. In opening up his tent and serving them something to eat, Abraham provides an instructive model for how we are to open our hearts and our homes to guests.

Yom Orchim is a day in which we open up camp and welcome you, our Orchim (guests), in some interesting and creative ways. In addition to meeting counselors and friends, parents and siblings will be able to spend time with their chanichim (campers) climbing aboard Rupert on the Agam, sitting around the campfire cooking s'mores, and making projects in woodworking and ceramics - to name a few. Highlights will include:

- An Israel@70 Opening Ceremony
- "A Day in the Life" of a Ramah camper
- FREE lavish lunch!
- Early Registration Specials for Kayitz 2019!

Further details will be posted on our website (www.campramah.com) as they are available. Parents should make every effort to attend, in that this is the only Visitor's day during the camp season. If you are unable to be in camp on Visiting Day, please inform your child's yoetzet (advisor).

Please note the following:

- **Do not plan to arrive at camp before 10:00 a.m. As in past summers, visitors will not be permitted onto camp grounds until that time.**
- **All Orchim are asked to depart by 3:00 pm in order to allow our camp community to come together for a camper-staff softball game.**
- **Campers are not allowed to spend the night out of camp with their families Sunday night. So please don't ask.**
- **While we love animals, unfortunately pets are NOT welcome in camp on Yom Orchim.**

POLICY AND PROCEDURE REMINDERS

"All Jews are responsible for each other" (Sanhedrin 27b)

Our primary goal is to provide a safe and healthy summer experience for each and every member of our camp community. We therefore ask that both camper and camper parents take note of, and agree to abide by, the following rules and regulations. **Please carefully review these with your child.**

Drugs and Alcohol

The use of drugs and the consumption of alcoholic beverages are strictly prohibited at camp. Any campers or staff members found in possession or under the influence of illegal drugs or alcoholic beverages will be subject to immediate dismissal from camp.

Cigarette Smoking

Camp Ramah is a smoke-free environment. Campers and staff are not permitted to smoke cigarettes at any time or any place during their stay at camp.

Gambling

With the increased marketing of gambling in the general culture, we are seeing campers coming to camp with an expectation to play cards for money. Our camp policy is that while occasional recreational card playing is permitted, gambling for money is absolutely prohibited and is grounds for dismissal from camp.

Curfew

Life at camp is in many ways more active than one's normal routine at home. Each edah, depending on the age of the campers, has a set curfew time. Consistent violation of curfew is unacceptable and may result in dismissal from camp.

Respect for Property

All campers and staff members are responsible for maintaining the beauty and physical condition of camp. All campers, along with their counselors, are responsible for the cleanliness and general safety conditions of their cabin. In addition, everyone participates, in a general camp clean-up several times per week.

Any vandalism or destruction of camp property by campers will result in damages being assessed and charged to the camper's family. There will be a minimum standard charge of \$100.00 per incident each time graffiti is placed in any public place including on a new building or a recently painted or re-paneled wall. Graffiti can appear in many different ways. Sometimes one camper or a group of campers take it upon themselves to write the names of all of the campers in their tzrif on camp property. Since we have no way to determine who caused the damage, the cost will be assessed and divided up among the whole tzrif unless the responsible party comes forward. Please review this policy with your child before the camp season.

Camp Ramah prides itself on developing a warm, supportive community. We place a great deal of trust in every member of our camp community, and we expect everyone to respect the privacy and personal property of others. Please discuss the importance of this respect with your child, and remind him/her that it is crucial that s/he never disturb, borrow, or take anything from another person's belongings.

While the privacy of individuals at camp is a value we teach and respect, the needs of the community sometimes supersede the needs of the individual. If the health or safety of other campers or staff indicates a need, campers may be asked to have their belongings searched and inventoried in the presence of two designated staff members.

Respecting the Other

Romantic relationships sometimes develop during the summer. It must be noted that boys are not allowed in girls' cabins, and girls are not allowed in boys' cabins. Inappropriate behaviour may result in dismissal from camp.

Social Networking Policy

In general, we view social networking sites (i.e., Facebook, Twitter, Instagram, etc...), personal websites, and blogging positively and respect the right of campers to use them as a medium of self-expression. If a camper identifies himself or herself as a camper of our Camp on such venues, some readers of such websites or blogs may view the camper as a representative or spokesperson of our Camp. In light of this possibility, our Camp requires, as a condition of registration at the Camp, that campers observe the following guidelines when referring to the Camp, its program or activities, and its campers, in a blog or on a website:

1. Campers must be respectful in all communications and blogs related to or referencing the Camp, its campers, and/or employees.
2. Campers must not use obscenities, profanity, or vulgar language.
3. Campers must not use blogs or personal websites to disparage the Camp, campers, or employees of the Camp.
4. Campers must not use blogs or personal websites to harass, bully, or intimidate other campers or employees of the Camp.
5. Campers must not use blogs or personal websites to discuss engaging in conduct that is prohibited by Camp policies, including, but not limited to, the use of alcohol and drugs, sexual behavior, sexual harassment, and bullying.
6. The use of our Camp Ramah in Canada name or logo is not allowed without written permission.

Any camper found to be in violation of any portion of our Social Networking Policy will be subject to appropriate consequences, up to and including dismissal from camp or denial of the opportunity to return to camp.

Withdrawal of Camper

If a child is to be withdrawn from camp on an **INVOLUNTARY** basis, i.e. where the camp requires the parents to withdraw the child, **A REFUND OF THE TUITION FEES IS MADE TO THE PARENTS ON A PRO-RATED BASIS, LESS THE ADMINISTRATIVE FEE OF \$600.00.**

THERE ARE NO REFUNDS FOR VOLUNTARY WITHDRAWALS OF CAMPERS.

Voluntary withdrawals are, for example: child is homesick, bunk placement is undesirable, parents miss the child, change in family plans, family vacations, and promises made by parents to withdraw the child after a "trial period at camp". We urge you not to make "deals" with your child to "try it for a while". Such promises usually make it impossible for a child to adjust to camp properly.

SPECIAL NOTE: Ramah is an ongoing educational experience. Please do not interrupt or cut short your child's experience at camp by scheduling events that will take him/her out of camp.

Gratuities - "A mitzvah is its own reward" (Pirkei Avot 4:2)

Staff at Camp Ramah is engaged in an important educational enterprise. They are dedicated to this task. As professional educators, who do their utmost for each individual, they may not accept any gratuities. Please do not embarrass them by offering either money or gifts. Appreciation can be shown by making a contribution in a staff member's name to the Staff Appreciation Fund. A card will be sent to the staff member in whose name the gift is made out to. Contributions may be made in the camp office and will be used to enhance staff life at camp. Please make all cheques payable to

"Camp Ramah in Canada." Or to donate on-line, please [click here](#).
