

## Packing List for Garinim!

It is important from the standpoint of health and cleanliness that campers have sufficient and appropriate clothing. At camp, a child gives clothes harder wear than in the city. And often in a cabin, items can go missing

**We recommend that you do not send expensive articles of clothing to camp.**

Please remember that when it rains at camp, the camp roads can become muddy and filled with puddles. It is therefore critical that your child bring waterproof rainwear. Boots are strongly recommended.

**Sun Protection:** Due to the dangers involved with exposure to the sun, it is important that your child wear a hat as well as effective sunscreen during outdoor activities. Please make certain that your child has a hat suitable for active play, an ample supply of sunscreen, and a water bottle. (Please note that water guns are prohibited and will be confiscated.)
