## ברוכים הבאים - Welcome!

“Welcome to those who are new and those returning.” (Isaiah 57:19)

*Perhaps, more than ever before, our kids need camp.*

While the COVID-19 pandemic continues to impact how we can gather at camp, we are more committed than ever before to bring our community a safe and successful camp season. This can only be done as a partnership between, camp professional staff, summer staff, our lay leadership and our camp families. With this partnership in place, we are well equipped to navigate the challenges of this time and to bring the joy and meaning of camp to our community.

Due to the COVID-19 pandemic, camp will be somewhat different than what we are used to. Once final plans for COVID protocols, plans and procedures are set, we will be sending out a separate handbook with this information.

This handbook contains important information to help you prepare your child for camp. After reviewing it, if you have any questions or concerns, please let us know. We are in this together and we thank you in advance for your partnership, understanding and support.

*L'Shalom,*

Rabbi Jordan Bendat-Appell  
Director

Aviva Millstone  
Associate Director

## **PREPARING FOR CAMP**

As you spend the weeks leading up to camp packing and preparing physically, we recommend spending some time preparing emotionally as well. Help your child think about what he/she really wants to achieve or work on at camp. Remind your child to make the most of his/her time at camp by participating in all that camp has to offer. If your child seems a bit anxious at the thought of separating, normalize the worry and remind him/her that many kids feel sad about leaving home for the summer. Help your child to consider strategies that may help if he/she is missing you at camp. If your child has been to camp before, help him/her to focus on the parts he/she loved and is looking forward to experiencing again. If this is his/her first summer, visit [www.campramah.com](http://www.campramah.com) and visually acquaint your child with their home for the summer. Your preparation before the summer with your child will help prepare him/her for the most impactful and growthful summer possible.

### **Bunking Requests**

As part of the application process, all campers have the opportunity to request their bunkmates. While we take those requests seriously, there are other factors kept in mind when forming cabin groups, including (for returning campers) recommendations from the previous summer and the overall cabin dynamic. We do our best to see that every camper who makes a request gets at least one of their choices. Please go to the Forms and Documents section of your CampInTouch portal to fill out your bunk request form prior to May 4th.

### **B'nai Mitzvah Training**

We are happy to assign staff members to review Bar/Bat Mitzvah preparations once per week with those campers whose Bar/Bat Mitzvah falls during the months of August to December 2021. If you are interested in this opportunity, please go to the Forms & Documents section of your CampInTouch Portal. Please be sure that your child brings all necessary materials to camp. Our staff is happy to review what your child has already learned but cannot be responsible for teaching new material.

### **Packing Preamble**

Helping to preserve and strengthen every camper's sense of self is one of our most important objectives. We want our campers to feel confident, comfortable and respected by their fellow campers. Jewish law requires that we are thoughtful and modest about our clothing choices.

Please keep in mind the following expectations:

- All clothes at camp should not be excessively tight, short, or revealing
- Girls must wear tankinis or full piece bathing suits; bikinis are not allowed
- Graphics on clothing should be appropriate: T-shirts with profanity, inappropriate words, phrases, or symbols may not be worn.
- Shabbat clothing should be reflective of the sanctity of the day - khakis and button-down shirts for boys, skirts, or nice pants for girls
- Shoulders must be covered for t'fillot (daily prayers).

## Technology

At camp, we aim to strengthen interpersonal connection, growth, and independence-- technology can simply get in the way of this depth of connection and experience. Like other Ramah camps, we believe that unplugging over the summer enhances our connections, to each other and to our surroundings. For two months, we want to protect our campers' ability to play and engage unencumbered by a device. We have found that a screen-free summer is an incredibly healthy experience for our campers.

What is the Policy for campers?

- Campers are not permitted to bring any devices to camp that can play games, movies, or can download data or be used as a telephone. This includes: Cell/Smart phones, iPods, iPads, laptops, any gaming device, and E-books of any kind.
- If these devices are found in camp, they will be confiscated and returned at the end of the summer.
- Campers who require a phone for travel to and from camp will be required to turn in their phone upon entering camp – the phone will be returned at the end of the session.
- The only acceptable devices at camp are MP3/MP4 players that do not have a screen. Here are some examples of acceptable devices:
  - **Player 1** Wiwoo U2 16GB Portable Clip MP3 Player
  - **Player 2** Sony Flash MP3 Player with Built-in FM Tuner (4GB) - Black (NWZB183FB)
- If your child requires an MP3/MP4 player and you are unable to purchase one, please let us know and we are happy to provide one.
- Digital Cameras are permitted.

## What NOT to Bring

THE FOLLOWING ITEMS HAVE NO PLACE AT RAMAH. PLEASE DO NOT SEND ANY OF THE FOLLOWING ITEMS TO CAMP WITH YOUR CHILD. **THEY WILL BE CONFISCATED.**

### DEVICES WITH SCREENS

As mentioned above, Ramah has adopted a SCREEN-FREE POLICY for campers. Portable screen devices

- Cellular Phones
- Portable DVD players
- Portable televisions, game devices
- Laptop computers, electronic games

### ADDITIONAL ITEMS

- Hot pots, hot plates, kettles (*these are all significant fire hazards and will not be tolerated*)
- Drones, Gopro-like cameras

- Candles, lighters, matches
- Knives, pellet guns

## **FOOD**

Campers are not permitted to bring food. We are a kosher, nut free facility. We have children with life-threatening food allergies, and we do not want to risk a child having an allergic reaction to a treat brought into the cabin. Moreover:

- \* it encourages unwanted visits from bugs and animals
- \* it can create conflict amongst campers
- \* it can cause discomfort and concern around levels of kashrut.

**For this summer, 2021, due to our efforts to contain any viral spread in camp, we are implementing a NO SPITZ policy.**

In addition to three meals a day, we provide campers with at least two snacks daily, this should be adequate food for our campers. If there are any concerns, please let us know.

SAFETY IS OUR NUMBER ONE PRIORITY. CONSIDERABLE THOUGHT HAS GONE INTO OUR POLICIES. WE ASK ALL PARENTS AND STAFF TO SUPPORT OUR POLICIES AND HELP KEEP OUR CHILDREN BOTH SAFE AND HEALTHY. THANK YOU!

## **SPENDING MONEY**

Camp operates a kiosk (Tuck shop) with snacks and beverages. Campers will have the opportunity to choose a few treats twice a week, which is included as part of the camper tuition fee. **We therefore ask campers not to bring cash to camp.** Any cash or valuables brought to camp must be placed in the camp safe for safekeeping. Our insurance does not cover loss or theft of cash or valuables in cabins

## Packing List

It is important from the standpoint of health and cleanliness that campers have sufficient and appropriate clothing. The following packing list is designed to provide the camper with a **suggested two-week supply** of washable clothing. At camp, a child gives clothes harder wear than at home. Items can go missing in the cabin.

**We recommend that you do not send expensive articles of clothing to camp.**

Please remember that when it rains at camp, the camp roads can become muddy and filled with puddles. It is therefore critical that your child bring waterproof rainwear. Boots are strongly recommended.

**Sun Protection:** Due to the dangers involved with exposure to the sun, it is important that your child wear a hat as well as effective sunscreen during outdoor activities. Please make certain that your child has a hat suitable for active play, an ample supply of sunscreen, and a water bottle. (Please note that water guns are prohibited and will be confiscated.)

**\*\*PLEASE LABEL EVERY ITEM CAREFULLY\*\***

## HEALTH & SAFETY - Health Information Form

Adequate medical records are important to the wellbeing of our entire camp community. **No camper will be received in camp without a current Health Information Form** completed on-line. If you have not yet filled in your camper's Health Information Form in your CampInTouch Portal please do so as soon as possible. The Medical and Hospital Authorization form can be found in your CampInTouch Portal. Separate health information related to COVID-19 will be provided in the spring.

### Immunization Policy

All children attending Camp Ramah must be up to date in their routine childhood immunization as determined by the provincial schedule. While there is some ongoing public debate concerning vaccination, the strong perspective of medical professionals is that vaccines are safe and essential for ensuring the wellbeing of our communities. While individual parents may choose to defer the vaccination of their children, for Camp Ramah this is not an issue of individual rights and choice, but an issue of public health and the safety of all campers and staff in camp.

The routine vaccination of all campers and staff is an important public health matter especially in the confined environment of a sleep away summer camp. Outbreaks of preventable infectious diseases have occurred in these settings. The vaccination of all members of the Ramah community is essential to maintain a safe environment and decrease the risk of transmission of these preventable illnesses. The establishment of a safe camp environment must therefore include **the requirement that all members of the Camp Ramah community be adequately immunized according to the routine childhood schedule.**

### Required Immunizations

1. **DTPT (Diphtheria, Tetanus, Polio, Pertussis (Whooping Cough))** - A series of a minimum of four doses, with the last dose within 10 years of the start of the camp session.
2. **MMR (Mumps, Measles, Rubella)** - A series of two doses.
3. **Chicken Pox** - Vaccination or history of illness. 2 doses are required, 1 month apart.
4. **Meningococcal C-C/ACYW** – 1 dose (given routinely in Grade 7 by local public health units in Ontario) as recommended as per the local public health unit schedule.

### Recommended Immunizations

1. **Hepatitis B** – 2 doses when given in adolescence (given routinely in Grade 7 by local public health units in Ontario).
2. **Hepatitis A** - (not publicly funded but recommended). Two doses provide long-term protection.
3. **Meningococcal B** – (not publicly funded)

### Boosters, Injections, and Inoculations

Most recent tetanus immunization must be specified on the Health Information Form. It is advisable to complete all such inoculations by the end of May 2021.

## **Infirmary**

Our infirmary is well staffed. There is always a doctor and a team of registered nurses on call. Our camp policy is that parents are notified when:

- there is an emergency that requires your child to be taken to the hospital or an outside doctor,
- your child is in the infirmary overnight,
- your child needs to be taken for x-rays or lab tests and a cost may be incurred,
- your child needs to be put on antibiotics, or
- your child has lice

Keep in mind that Ramah has a highly experienced medical staff that is qualified to make appropriate decisions concerning your child's health. If you should have any questions about the medical care your child is receiving, please feel free to call the infirmary. Please notify camp immediately of any medical condition that develops immediately before the summer.

***Please Note:*** Our Infirmary will be operating differently this summer due to COVID-19. Please look for more details this spring about our robust plan of operation.

## **Eyeglasses**

Children who wear glasses should bring an extra pair to camp in case of breakage or loss. Please make sure your child's name is marked on their eyeglasses. If glasses need to be repaired or replaced at camp, you will be billed for this service.

## **Dental Work**

It is important that children's dental and orthodontic needs are attended to before camp. There is no dentist in camp, and it is difficult for us, and expensive for you, to have us take children to a dentist in town. If your child must have dental or orthodontic treatment, you will be billed for this service. Camp medical insurance does not cover dental work.

## **Lice**

Camp Ramah in Canada will check all campers and staff for head lice upon arrival at camp this summer. To avoid an uncomfortable situation, we ask that you **please check your child's head before the start of camp**. If your child is found to have lice or nits in camp, your child will be treated immediately, **at the family's cost**, and we will contact you.

Unfortunately, lice are easily spread in environments where people live closely together, like camp. Sharing towels, beds, barrettes, headphones, hats, kippot, T-shirts, and other personal items (i.e. combs and brushes) contribute to their ability to spread. Please discourage your child from sharing such items while in camp

## **Medications**

The infirmary is stocked with a variety of over-the-counter drugs and specialized equipment. **Please note that provincial law requires that all medications be kept in the infirmary at camp.** There can be NO medications of any kind in the cabin.

## **Medication “Vacation”**

We understand that some parents wish to give their child a “vacation” from their regular school-year dose of medication over the summer. Often, this is because camp is assumed to be a less structured, stress-free environment. While camp is a time for relaxed fun, there are many different situations to deal with: new social situations, changes in routine, and different levels of structure depending on the day.

For these reasons, we strongly recommend that you discuss the above factors with your physician before considering taking your child off medication. Please note that generally we do not support medication holidays at camp and any plan to discontinue medication taken during the school year must be discussed with the Parent Liaison prior to camp.

**Blister Packs -NEW For Summer 2021** If your camper requires 2 or more pills at a time, medications must come blister packed by a pharmacy.

## **Safety**

Since Camp Ramah’s inception over 60 years ago, we have an excellent track record for safety and security. Ramah is a caring and nurturing environment in which all programs, in and out of camp, are planned with safety as the number 1 priority.

To ensure a secure environment as possible for our campers, the professional and lay leadership have designed the following protocols regarding safety and security:

- New for 2021, thanks to a Government of Canada Safety Grant and our Security Levy, we are very pleased that we will have a number of new security features at camp. These include: a gate across the front of camp, more substantial gates and security cameras.
- All visitors and deliveries will be stopped at the security gate.
- All visitors will be required to check in at the main office and to wear identification.
- **No unexpected visitors will be allowed into camp. (\*\*PLEASE NOTE-- due to the COVID-19 pandemic, we will have NO VISITORS allowed into camp during the summer of 2021.**
- Our security guards patrol the camp regularly between the hours of 10:00 pm and 6:30 am.

## **TRANSPORTATION**

Please note: Due to the high risk of cross-infection on buses, we cannot offer busing up to camp in the summer of 2021.

Please stay tuned for more information about travel to camp this summer.

### **Proof of Citizenship for Non-Canadian Residents**

**Traveling by Bus/Car** - When crossing into Canada by bus/car, every camper must have his/her valid original passport or a copy of his/her birth certificate and a completed Camper Travel Permission form. (If you are over the age of 18, you must travel with a valid passport).

**Traveling by Air** - When crossing into Canada by air, every camper must have his/her valid passport. All camper travel documentation such as birth certificate, passport, airline tickets and travel money will be collected and stored in the office safe and returned on day of departure.

**Note: Camper passport must be valid until February 2022.**

## COMMUNICATING WITH CAMP

You have made the decision to send your child to sleep-away camp. The "away" part is significant. Indeed, living at camp, apart from parents, gives children an opportunity to experience a wonderful sense of responsibility and independence. For many of us, throughout the school year our children are only a text away. We are in near constant contact. Camp is by its very nature a departure from that kind of immediate contact. Yet, at the same time, we recognize that ongoing communication is so important - we want you to know of the amazing things that are happening at camp, and we want our campers to know you are thinking of them.

### **Yoatzot (Parent Liaisons)**

Camp is a community consisting of over 400 campers. Each rosh edah (division head) has been trained to provide your child with a rich, safe, healthy, and rewarding Jewish summer camp experience. Each rosh edah receives further support, supervision, and advice from his/her yoetzet. Ramah is fortunate to have talented professionals serving in this advisory capacity. For issues concerning your child's adjustment to camp, or for other questions about your child's experience in camp, please contact your child's edah advisor.

### **Emergencies**

If there is a family emergency, please state this when you call and ask to speak to your child's yoetzet. Your call will be handled as quickly as possible. When the switchboard is closed, you can leave a voicemail, or, in the case of a real emergency, you can reach us on our emergency number at 416-789-2193 ext. 9999. If your call is not an emergency, please refrain from using this system.

### **Homesickness**

During the summer, parents may receive letters from their child that may leave them feeling unsettled. Homesickness is a normal part of the sleep-away experience; our staff is trained to deal with it. If you are concerned, please contact your child's yoetzet who will investigate the situation with the rosh edah and counselors and will respond to you within 24 hours.

### **Birthdays**

Campers whose birthdays fall during the camp season will be able to celebrate with their cabin at camp. A birthday cake and birthday decorations will be provided. Campers whose birthdays occur during the season will be permitted a call home. Please note that it is camp policy that campers do not call home for others' birthdays; only their own.

## **Communicating by Mail**

### **Letters FROM Campers**

Campers are required to write home twice a week. Please do not be concerned if you have not heard from your child for a few days. Mail is sent from camp daily but is occasionally delayed. Please write to your child frequently. If you do not hear from your child for longer periods of time, you may want to contact your child's yoetzet. For younger campers, we highly recommend sending pre-addressed, pre-stamped (with Canadian postage) envelopes.

### **Letters TO Campers**

Your child will want to hear from you! It is especially important that younger campers and first-time campers receive mail from home within the first 24 hours of camp. Please write to your child before camp begins, so they can receive a letter the first day. It is a good idea to mail your first letter one week before camp begins. (Some parents will even include a note in their child's duffels.) Letters should be addressed to:

(Name of Camper), Cabin \_\_\_\_\_  
Camp Ramah in Canada  
1104 Fish Hatchery Road  
Utterson, Ontario  
POB 1M0

## **Communicating by E-Mail**

We are very excited to be continuing our on-line Summer Services through your CampInTouch (CIT) Portal. Every parent has their own account where they will be able to email their child and view photos regularly during the summer. You may also set up guest accounts so that other friends and family can also email campers and view photos.

Starting June 3, 2021, you will be able to log in and set up your account for the summer. We encourage you to login before the start of the summer, so you can play around with the summer services that will be available to you and ensure that your account is all ready to go, come the start of camp.

## **Communicating by Phone**

One of the goals at Ramah is to create a positive, immersive Jewish summer camp experience. One of the things that allows us to achieve this goal is the creation of an environment that is free from some of the modern technologies of today and unaffected by the hustle and bustle of modern life.

If you need to discuss something with your child, please contact the yoetzet of your child's edah. The yoetzet will help you communicate with your child in the case of family emergencies or other special circumstances where a message needs to be delivered to your child.

The summer switchboard at camp is open from 9:30 a.m. 5:30pmEST. The switchboard is closed on Shabbat — from Friday 4:00 p.m. until Sunday morning. When the switchboard is closed, you can leave a voicemail.

## **Packages**

We strongly discourage all unnecessary packages at camp. If a parent must send a package, please adhere to the following guidelines:

- 1. Do not send food(including Spitz) or candy or plastic water bottles or drinks of any kind. All packages will be opened, and campers will not receive any food or candy contents; they will be donated.**
2. If you need to send clothing or other emergency items to your children, please contact your child's yoetzet and arrange to have it sent to her attention.
3. Please be mindful of the feelings of other cabin mates - often packages engender feelings of inequity and disappointment. Please keep packages and their contents to a minimum

## **POLICY AND PROCEDURE REMINDERS**

"All Jews are responsible for each other" (Sanhedrin 27b)

Our primary goal is to provide a safe and healthy summer experience for each member of our camp community. We therefore ask that both camper and camper parents take note of, and agree to abide by, the following rules and regulations. **Please carefully review these with your child.**

### **Drugs and Alcohol**

The use of drugs and the consumption of alcoholic beverages are strictly prohibited at camp. Any campers or staff members found in possession or under the influence of illegal drugs or alcoholic beverages will be subject to immediate dismissal from camp. Legalized cannabis will be treated in the same way as we treat alcohol at camp (i.e. zero tolerance).

### **Cigarette Smoking**

Camp Ramah is a smoke-free environment. Campers and staff are not permitted to smoke cigarettes at any time or any place during their stay at camp.

### **Gambling**

With the increased marketing of gambling in the general culture, we are seeing campers coming to camp with an expectation to play cards for money. Our camp policy is that while occasional recreational card playing is permitted, gambling for money is absolutely prohibited and is grounds for dismissal from camp.

### **Curfew**

Life at camp is in many ways more active than one's normal routine at home. Each edah, depending on the age of the campers, has a set curfew time. Consistent violation of curfew is unacceptable and may result in dismissal from camp.

### **Respect for Property**

All campers and staff members are responsible for maintaining the beauty and physical condition of camp. All campers, along with their counselors, are responsible for the cleanliness and general safety conditions of their cabin. In addition, everyone participates, in a general camp clean-up several times per week.

Any vandalism or destruction of camp property by campers will result in damages being assessed and charged to the camper's family. There will be a minimum standard charge of \$100.00 per incident each time graffiti is placed in any public place including on a new building or a recently painted or re-paneled wall. Graffiti can appear in many different ways. Sometimes one camper or a group of campers take it upon themselves to write the names of all of the campers in their tzrif on camp property. Since we have no way to determine who caused the damage, the cost will be assessed and divided up among the whole tzrif unless the responsible party comes forward. Please review this policy with your child before the camp season.

Camp Ramah prides itself on developing a warm, supportive community. We place a great deal of trust in every member of our camp community, and we expect everyone to respect the privacy and personal property of others. Please discuss the importance of this respect with your child and remind him/her that it is crucial that s/he never disturb, borrow, or take anything from another person's belongings.

While the privacy of individuals at camp is a value we teach and respect, the needs of the community sometimes supersede the needs of the individual. If the health or safety of other campers or staff indicates a need, campers may be asked to have their belongings searched and inventoried in the presence of two designated staff members.

### **Respecting the Other**

Romantic relationships sometimes develop during the summer. It must be noted that boys are not allowed in girls' cabins, and girls are not allowed in boys' cabins. Inappropriate behaviour may result in dismissal from camp.

### **Social Networking Policy**

While campers will not have access to social media during the kayitz at camp, we recognize that what happens before and after the kayitz impacts the experience and wellbeing of campers during the kayitz. In light of this possibility, our camp requires, if, during the off-season, a camper identifies himself or herself as a camper of our Camp on such venues, some readers of such websites or blogs may view the camper as a representative or spokesperson of our Camp. In light of this possibility, our Camp requires, as a condition of registration at the Camp, that campers observe the following guidelines when referring to the Camp, its program or activities, and its campers, on social media:

- Campers must be respectful in all communications and blogs related to or referencing the Camp, its campers, and/or employees.
- Campers must not use obscenities, profanity, or vulgar language.
- Campers must not use blogs or personal websites to disparage the Camp, campers, or employees of the Camp.
- Campers must not use blogs or personal websites to harass, bully, or intimidate other campers or employees of the Camp.
- Campers must not use blogs or personal websites to discuss engaging in conduct that is prohibited by Camp policies, including, but not limited to, the use of alcohol and drugs, sexual behavior, sexual harassment, and bullying.
- The use of our Camp Ramah in Canada name or logo is not allowed without written permission.

Any camper found to be in violation of any portion of our Social Networking Policy will be subject to appropriate consequences, up to and including dismissal from camp or denial of the opportunity to return to camp.

### **Withdrawal of Camper**

If a child is to be withdrawn from camp on an Involuntary basis, i.e. where the camp requires the parents to withdraw the child, the refund is at the Discretion of the Camp Directors, less the Administrative Fee of \$1000.00. **THERE ARE NO REFUNDS FOR VOLUNTARY WITHDRAWALS OF CAMPERS.** Voluntary withdrawals are, for example: child is homesick, bunk placement is undesirable, parents miss the child, change in family plans, family vacations, and promises made by parents to withdraw the child after a "trial period at camp". We urge you not to make "deals" with your child to "try it for a while". Such promises usually make it impossible for a child to adjust to camp properly.

**SPECIAL NOTE:** Ramah is an ongoing educational experience. Please do not interrupt or cut short your child's experience at camp by scheduling events that will take him/her out of camp.

### **Gratuities - "A mitzvah is its own reward" (Pirkei Avot 4:2)**

Staff at Camp Ramah is engaged in an important educational enterprise. They are dedicated to this task. As professional educators, who do their utmost for everyone, they may not accept any gratuities. Please do not embarrass them by offering either money or gifts. Appreciation can be shown by contributing in a staff member's name to the Staff Appreciation Fund. A card will be sent to the staff member in whose name the gift is made out to. Contributions may be made in the camp office and will be used to enhance staff life at camp. Please make all cheques payable to "Camp Ramah in Canada." Or to donate on-line, please [click here](#).
